Pain

Wears Out the Nerves.

Do you realize that pain is weakening, and exhausts your vitality? Don't you remember how completely worn out you felt after that last attack of headache, neuralgia, backache, periodical or other spell of suffering? Nearly every case of inflammation, apoplexy, paralysis, epilepsy and insanity is directly due to the weakening influence of pain upon the brain nerves? For this reason every one who suffers from pain of any kind should not fail to get relief as quickly as possible.

You can do this by taking Dr. Miles' Anti-Pain Pills—others do.

"I have used Dr. Miles' Anti-Pain Pills for years, and can say they have never failed. I always keep them in the house. In fact I had rather be without sugar than the Pills. Previous to using them I had always suffered with sick headache, sometimes being in bed for three and four days. I had tried nearly everything I ever heard of, some would seem to help at first, but after a short time the effect would wear off. It is five years now since I began taking Dr. Miles' Anti-Pain Pills, and the results are as good as at first."

MRS. W. H. MARSHALL,
Sopris, Colo.
Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.
